

The Analytics minor is open to all students at the university. This allows any student to complement their major with valuable analytical skills.

Electives can be chosen to complement their major and deepen their knowledge of analytical skills related to their interests. Six (6) of the required upper-division credits must be completed at UNR.

Nine (9) or more credits used for any minor at UNR must be upper-division coursework.

Students must complete the minor with a 2.0 or higher GPA.

Business students must have a declared major in order to declare a business minor.
